**Re: Williams v. BASF Catalysts LLC, et al.**  
**Civil Action No. 2:11-cv-01754 (JLL)(JAD)**

Dear Judge Dickson:

We represent Defendant, BASF Catalysts, LLC, in the above matter and write on behalf of all parties. While the parties previously informed Your Honor that all motion to dismiss papers (moving, opposition and reply) would be filed today, the parties have informally agreed to file these papers next week. The parties will make themselves available if Your Honor has any issue with this agreement.

Thank you for your courtesies.

Respectfully submitted,

/s/ David C. Kistler
